RMIN Bulletin December 2020

Read More...

Select the "Training" drop-down link to expand it and choose "28 CFR Part 23 Training"

The screenshot displays the RISSNET Home Page for David Lewis, Bureau of Justice Assistance. The page features a top navigation bar with search, settings, and notification icons. Below the header, there are three main columns: Welcome, Favorites, and Resources.

Welcome: Contains an Overview section with a video player and a Quick Reference Guide link.

Favorites: A grid of icons for Home, MAGLOCLN, MOCIC, NESPIN, RMIN, ROCIC, WSIN, RISSLeads, Officer Safety, 28CFR Part 23 Training, MAGLOCLN Publications, NCIRC, NMVTIS, and RISSGang.

Resources: A list of categories including Center Resources, Federated Partners, Gang, HIDTA, Investigative, Officer Safety, Training (circled in red), and Utilities. A red arrow points to the Training link, which is expanded to show a list of training resources:

- [28CFR Part 23 Training](#)
- [District Emergency Management Office \(DEMO\)](#)
- [LA HIDTA Training](#)
- [MAGLOCLN Tentative Training List and Registration](#)
- [N-DEX Resources](#)
- [RISSafe Demo](#)
- [RISSafe Training](#)
- [Street Gang Intelligence Online Training Course](#)

Featured Content: A section for the RMIN Bulletin December 2020, featuring a "Read More..." button.

This will bring the user to the 28 CFR Part 23 Online Training page

My Enrollees | David Lewis (david.p.lewis@usdoj.gov)

Welcome to the Bureau of Justice Assistance's (BJA) online 28 CFR Part 23 training program. This is to notify you that the training modules on this website have been refreshed.

Training

This training program consists of five modules. **Before beginning the training, review the [Training Instructions](#) to ensure the best user experience.** These include important technical recommendations for the best module performance and information on user completion statuses and certificates of completion.

[+ Show Instructions](#)

Select this to show training instructions (expanded on next slide)

You completed 0 of 5 course modules of the current training. You have 5 modules remaining to complete.

NOTE: There are five modules in the training, and all must be completed to receive a certificate

This shows the training instructions, expanded for reference

- Hide Instructions

Training Instructions

- 1. Agency information**—Prior to taking the training, users are encouraged to familiarize themselves with the following agency information to better understand how to implement regulation requirements within their agency.
 - The agency's policies and procedures
 - The agency's standard definitions of need to know and right to know
- 2. Technical specifications**—Training modules incorporate the use of graphics and video. To ensure the best experience, refer to the following recommended technical specifications:
 - **Web Browsers:** Use the most current version available. Google Chrome, Microsoft Edge, and Apple Safari are preferred. Internet Explorer is no longer supported.
 - **Internet Speed:** A solid and fast broadband internet connection will reduce buffering and time spent waiting for content to load.
 - **Devices:** Laptops or desktop computers provide the best format for viewing the modules. While the training can be completed on a mobile device, such as a smartphone or tablet, not all mobile devices are compatible with the training platform. Outdated devices or operating systems may also affect performance.
- 3. Completion of modules**—Please complete each module in the order shown.
 - **Self-Paced Completion:** Modules are self-paced, allowing users to complete them in multiple sessions.
 - **Locked Module Topics:** A topic menu is located on the left-hand side of each module's viewing window. Menu items are locked until the user views that topic in its entirety. Once the topic has been viewed, users may reselect the topic to review the information again before moving on to other topics or to the module quiz.
 - **Completion Statuses:** After each module is completed and the system processes the completion status, a check mark will appear next to that module. If a check mark does not appear, refresh the page.

- **Quizzes:** Each module contains a brief quiz, for which users must receive a 100 percent score. For any incorrect answers, the module will provide reviews of missed content and will repeat quiz questions.
- **Exiting Modules:** To exit a module at any time, close out the browser window (select "X") to return to the training modules page. Your progress will be saved.
- **Certificate of Completion:** A certificate of completion will be earned and displayed on this page once all modules are complete with 100 percent quiz scores. If the certificate does not appear, refresh the page.

My Enrollees | David Lewis (David.P.Lewis@usdoj.gov)

Training

This training program consists of five modules. Before beginning the training, review the [Training Instructions](#) to ensure the best user experience. These include important technical recommendations for the best module performance and information on user completion statuses and certificates of completion.

[+ Show Instructions](#)

You completed 0 of 5 course modules of the current training. You have 5 modules remaining to complete.

- 28 CFR Part 23—Introduction and Overview**
Module 1 covers the history and development of 28 CFR Part 23; its purpose; what the regulation governs; and the impact of state law, local ordinances, and other funding considerations.
Estimated time required: 30 minutes
- How to Comply With the Regulation**
Module 2 examines several topics related to compliance with 28 CFR Part 23. The training addresses the importance of compliance with the regulation, even if an agency is not technically required to do so by law or agency policy. It also addresses the compliance responsibilities of the intelligence project and participating agencies, project assurances, delegation of project responsibilities to participating agencies, participation agreements, and penalties for noncompliance with the regulation.
Estimated time required: 20 minutes
- Submission and Collection Criteria**
Module 3 covers the submission/collection criteria, types of criminal activity, what to submit, and submission of organizations as criminal subjects.
Estimated time required: 30 minutes
- Inquiry and Dissemination Guidelines**
Module 4 addresses the inquiry and dissemination of criminal intelligence information and examines need- and right-to-know requirements, inquiries to the intelligence system, dissemination of intelligence, and security requirements.
Estimated time required: 15 minutes
- Retention Issues—Review and Validation or Purge**
Module 5 provides information on the review and validation or purge requirements of 28 CFR Part 23.
Estimated time required: 15 minutes

NOTE: There are five modules in the training, and all must be completed to receive a certificate.

Within the RISSNet portal, users can add this training to their “Favorites” section by following the instructions at the bottom of the page where the 28 CFR Part 23 training link will be located

The screenshot displays the RISSNET Portal Home Page. At the top, there is a navigation bar with 'Home', 'Quick Links', and a search bar. The main content area is titled 'RISSNET Portal Home Page' and features a welcome message for 'David Lewis' from 'Regional Information Sharing Systems'. A red arrow points from the 'RISS Home Page' link in the welcome message to the 'Favorites' section below. The 'Favorites' section contains a list of links: NMVTIS, SAR SSP, Intelink (DNI-U), National Criminal Intelligence Resource Center (NCIRC), RISSGang Web Site, and RISS Officer Safety Website. To the right, there is a 'System Status' section with 'ATIX Announcements' and 'RISS Announcements'. Below that is an 'Amber Alert Feed' section. The page footer includes a 'Customize My Content' link.

Select these boxes to open a pop-up window.

Adding resources to the "Favorites" section

The screenshot displays the RISSNET user interface for David Lewis, Bureau of Justice Assistance. The top navigation bar includes a search icon, settings, a notification bell with a '1' badge, and a user profile icon. The user's name and contact information are shown below the navigation bar. The main content area is divided into three panels: 'Welcome', 'Favorites', and 'Resources'. The 'Favorites' panel contains a grid of icons for various services: Home, MAGLOCLen, MOCIC, NESPIN, RMIN, ROCIC, WSIN, RISSLeads, Officer Safety, 28CFR Part 23 Training, MAGLOCLen Publications, NCIRC, NMVTIS, and RISSGang. The 'Resources' panel lists categories such as Center Resources, Federated Partners, Gang, HIDTA, Investigative, Officer Safety, Training, and Utilities. The 'Featured Content' panel at the bottom features a 'Bulletin' for December 2020 from the Rocky Mountain Information Network, with a 'Read More...' button.

“See all my resources” option will open this page
